

FELLOWSHIP AND EVANGELISM (10:30 a.m.)

Ask members to share and gospel conversations they had this past week, possibly with family.

MEMORY VERSE & PRAYER (10:40 a.m.)

Philippians 4:8 *Finally, brothers, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things.*

Uganda – Uganda works hard to recover from many years of war, violence, and heavy-handed government. Pray for peace within the troubled region and the nation. The current president has been in power since 1986. Uganda has attracted attention through widespread child labour, allegations of widespread use of torture by those in power, and its incendiary approach to LGBT issues. Amidst these many points of concern, Christian NGOs and ministries provide aid, shelter, counselling, spiritual ministry, and education. Uganda has one of the world's highest proportions of evangelical Christians. Pray for God's people to be at the heart of the nation's restoration.
